DIRECTIONS

Directions By Road To The Vodafone Car Park

Please note that some satellite navigation systems are known to misdirect visitors. Please ensure to state Fairfield Avenue – TW18 4AB when using navigation equipment. Our office is close to Staines town centre, on the Southern end of London Road, near to the Crooked Billet Roundabout.

The underground car park is located at the rear of the building, via Fairfield Avenue.

Vodafone offices at One London Road are located at the eastern end of Staines town centre and most conveniently reached from J13 of the M25. If approaching London on the M3 then take the M25 north and J13 is the first exit. Alternatively, if approaching London on the M4 or M1 then take the M25 south.

- Exit J13 of the M25 and take the A30 dual carriageway towards London (the Staines-By-Pass) for about 2 miles.
- Take the first exit which is the Crooked Billet Roundabout.
- You need to go all the way around (turn right) and take the Staines exit (A308) (this may seem confusing since you actually cross the dual carriageway to achieve this).
- Turn right at the first set of traffic lights into Fairfield Avenue.
- Follow the road round and turn left directly before the road changes into one-way system (statue of man holding a swan on the left hand corner).
- Proceed straight ahead over the mini roundabout to the underground car park (not the multistory car park located on the left hand side).

If in any difficulty then please call reception +44 (0)1784 410420
